Show Rules for the Keystone Classic Kar Show

Vehicle Entry to Show Area (Inside Building)

As this is an indoor car show, entry and exit of show vehicles must be controlled in order to insure safety and the prevention of damage to vehicles and/or facilities. The orderly admittance of show entrants will be from 8:00 AM to 4:00 PM on Friday. Entry to the show car area will be via the gate farthest from the museum entrance (to the left when facing the building) and the ramp nearest that gate (the entrance will be well marked). A registration desk will be located inside the door where show credentials will be issued and show cars will be escorted to parking. Ample show car trailer parking will be available for those requiring it.

Show Car Area Safety Requirements

Fire safety requirements for indoor car shows require that all vehicles have ¼ of a tank or less of fuel, non-locking gas caps are to be taped and batteries disconnected (switch or negative cables removed). Once vehicles are located in their respective show space, no engines are to be started prior to exiting the area. Show staff personnel will be on hand to assist as needed.

Spacing

Each vehicle is allotted a 10'x20' space. In order to provide the best show experience for entrants, those desiring special displays are asked to coordinate with show staff prior to show dates. Special display requirements are to be indicated on pre-registration form, and based on show car participation (available space), display accommodations will be on a first come, first served basis.

Display Vehicles

Show vehicles are to be displayed with hoods open, trunks open, and windows down (doors closed). Storyboards are allowed as well as photo albums; however, no sponsor banners will be permitted. Turnstiles, wheel removal, jack stands, etc will not be allowed.

Show times & Load Out

The Keystone Classic Kar Show will be on Saturday (9:00 AM – 9:00 PM) and on Sunday (10:00 AM – 5:00 PM). Show car awards will be presented at 2:00 PM on Sunday and orderly departure from the show area will begin at **approximately** 4:00 PM (dependent on safety and spectators). Doors will be closed NLT 8:00 PM, however, late departures as well as next day may be accommodated on a case-by-case basis.

Disclaimer

In consideration of the acceptance of the right to participate; entrants, participants, and spectators by execution of this form, expressly release and discharge the Keystone Tractor Works Museum and the Oldies But Goodies Classic Cruisers Car Club, their officers, directors, employees, agents, representatives, servants, and anyone else connected with management or presentation of the Keystone Classic Kar Show of and from any and all known or unknown damages, injuries, losses, judgments, and/or claims from any causes that may be suffered by any entrant to person or property. Further, each entrant expressly agrees to indemnify all of the forgoing entities, firms, persons, and bodies of and from all liability occasioned or resulting from the conduct of show entrants or any participant assisting or cooperating with show entrant and under the direction or control of show entrant.
